

## **Ignite community spirit: Get involved!**

The coloring page on the reverse side of this paper shows a community-based setting: a diverse group of people — of different ages, ethnicities and abilities — meeting and talking together in their neighborhood park. The theme, “Celebrating Community,” calls us to develop relationships that make our community a place where everyone participates and is a valued member.

Feel free to make copies of this coloring page and decorate it with crayons, markers, glitter, paint — let your imagination run wild!

We have included a special participation certificate on the CD in your Disability Awareness Month packet, so you can recognize the creative spirit of all children who create coloring pages!

Thank you for being involved in Disability Awareness Month as we are Celebrating Community!
